Back to the 80's Neon Imaginarium Karaoke Ball/ Contest Rules

All costumes must be based on a character from a medium of storytelling, such as literature, film/tv, or games.

Costumes will be judged on creativity, uniqueness, and character-based

precision. A costume does not have to be of professional make to be considered for the prizes. Creativity and imagination are a big part of what we are looking for!

We ask that you sign in when you arrive with your real name and your character. In the event we have more than one of the same character, photos may be taken by con staff for reference. (Note: The judges will not see this list.)

No nudity. This event, as with the rest of the Imaginarium Convention's main events, is family friendly. All ages will be admitted to the Ball. Costumes containing nudity or adult-themed parts will be disqualified from the contest and the wearer asked to change clothes and/or leave.

A cash bar will be provided. Proper identification will be required.

Imaginarium No-Harassment Policy

Harrasment of an individual is a very serious matter when it comes to cnvention and events. As Imaginarium Convention seeks to provide a comfortable and inclusive climate for everyone in attendance, we have a firm no-harrasment policy.

As Bill and Ted famously said, “Be Excellent to Each Other,”

However, verbal comments, or any behavior considered to be intimidating or of a stalking nature, including but not limited to the use of recording devices, disruption of discussions/events, unwelcome sexual attention, or inappropriate physical contact can result in revocation of event registration at the discretion of staff and security.

We will not tolerate any abuse of any attendee with regard to their religion, ethnic heritage, gender, physical appearance, or sexual orientation. Any request to cease behavior deemed of a harassing nature is expected to be complied with immediately, and failure to do so will result in immediate revocation of the individual’s event registration. There are no refunds on a revoked registration, so please cooperate.

We also ask that anyone experiencing any harassment report it to our staff or security as soon as possible. Staff and security will be easy to identify with unique staff/security shirts. Let’s all have a great weekend together and we sincerely hope that this policy does not have to be invoked a single time. Help us make that happen!
